

**PLANT CELL DIAGRAM:**

Label the plant cell drawing below using the following terms:

- |                    |                     |                     |
|--------------------|---------------------|---------------------|
| 1. cell wall       | 6. mitochondrion    | 10. plasma membrane |
| 2. central vacuole | 7. nuclear envelope | 11. ribosomes       |
| 3. chloroplast     | 8. nucleolus        | 12. rough ER        |
| 4. chromatin       | 9. peroxisome       | 13. smooth ER       |
| 5. Golgi apparatus |                     | 14. tonoplast       |
