Do you believe someone else might:

- a. "This officer is small. He can't put them together" in the file.
- b. "This officer has been trained to do a sloppy job."
- c. "This officer has been trained to do a good job."
- d. "This officer is not interested in doing his job."
- e. "He had been given too many cases." There was not enough time available.
- f. "This officer thought he's been too much involved in this case to prosecute his present client."
- g. "He doesn't care anything now. There are better buildings to prosecute."
- h. "This officer has no personal life and gets a long vacation."

REMARKS

Johnson believes Johnson is a good officer. He thinks he has every right to do his job. The problem with him is that he has never seen them before. Johnson seems to try to conceal his true self while he is with them. Johnson feels as though he is being used...he is going to the wrong people to handle the investigation. Johnson feels as though he is being used to get information from other officers who are not there.

Johnson feels that he is being used...he is going to the wrong people to handle the investigation. Johnson feels as though he is being used to get information from other officers who are not there.

Johnson feels that he is being used...he is going to the wrong people to handle the investigation. Johnson feels as though he is being used to get information from other officers who are not there.

Johnson feels that he is being used...he is going to the wrong people to handle the investigation. Johnson feels as though he is being used to get information from other officers who are not there.

Johnson feels that he is being used...he is going to the wrong people to handle the investigation. Johnson feels as though he is being used to get information from other officers who are not there.
