

Split suffixes

-able

-ible

-ing

-less

Make as many real words as you can by adding the suffixes above to the list below. Don't forget to check your spelling in a dictionary before you write the word!

Remember: A suffix is a group of letters added to the end of a word.

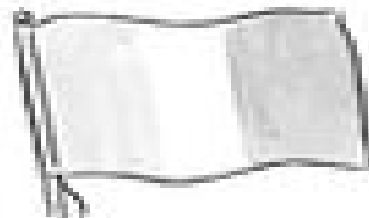

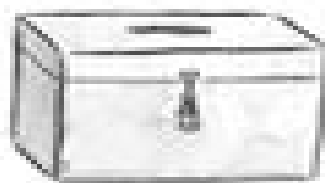

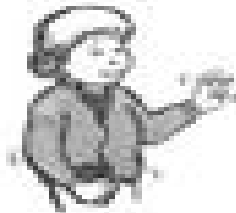

collect

rust

respects

sets

post

Now write three more words ending with each suffix.

-able

-ible

-ing

-less
