

# Split suffixes

-able

-ible

-ing

-ion

Make as many real words as you can by adding the suffixes above to the list below. Don't forget to check your spelling in a dictionary before you write the word!

**Remember:** A suffix is a group of letters added to the end of a word.

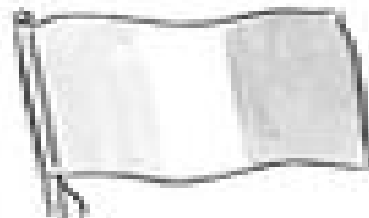

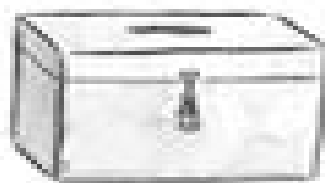

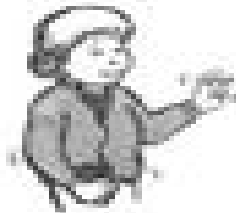

collect .....

rust .....

respects .....

sets .....

post .....

Now write three more words ending with each suffix.

-able .....

-ible .....

-ing .....

-ion .....
