

Evaporation,
Condensation,
Precipitation,
That's the WATER CYCLE!

Draw the water in each part of the water cycle.

Evaporation

A large empty rectangular box with a black border, intended for drawing the evaporation stage of the water cycle.

Condensation

A large empty rectangular box with a black border, intended for drawing the condensation stage of the water cycle.

Precipitation

A large empty rectangular box with a black border, intended for drawing the precipitation stage of the water cycle.
