

Structure

Identify the text structure. Explain how the author uses this structure to tell the story using details from the text.

Theme

What lesson could you learn from the story? Explain why.

Plot

Describe the problem (so far) in the story. What do you think will be solved?

Setting

Describe the setting of your text. Explain why it is or is not important to the story. Setting includes time and place.

Vocabulary

Find one new or challenging word. Use context to define the word and explain why it is important to the story.

Summarizing

Write a two-sentence summary of the part (chapter/section) you read. Write it here: _____
_____ and _____.

Figurative Language

Find one example of figurative language.

Connections

Get ready to compare the story to another one. Write another one, or the word _____.

Character

Identify one trait of your character. Use details from
