Identifying Singular and Plural Nouns Worksheet

A singular noun names one person, place, thing or idea.

Plural nouns name more than one person, place, thing or idea.

Directions: Write singular or plural for each underlined noun in the sentence.

Example A: The children walked to the assembly.

Answer: plural noun

1. The lake was quiet.

2. The kids went to school.

3. I enjoy taking a walk.

4. That food tasted good!

5. I play games on the tablet.

6. The dog barked.

7. The couple went to eat.

8. The lion roared.

9. The people talked.

10. The teacher smiled.
