

1. Read Carefully, Don't Rush

It might be tough, but please don't let a good question give a long run.

6. Get a good night's sleep the night before and eat a healthy breakfast.

Get a good night's sleep the night before and eat a healthy breakfast.

2. Relax

Take the nervousness out of the test. Take a deep breath, stretch your legs, and think about something that makes you feel better about the test again.

7. Get Un-Stuck

If you get stuck, don't get frustrated. Move the question. If you can't solve it and come back later, mark the best guess answer.

3. ME Only!

Don't worry about others. Focus only on yourself. Don't worry if others finish before you.

4. Go Slow

Read questions slowly and carefully for each question.

5. Do Your Best
