

# Illustrated Acrostic Poem

Name \_\_\_\_\_

Draw a picture of the topic, then write an acrostic poem about it. Write the topic word vertically along the left side of the paper: start each line of your poem with the letter on that line

Title \_\_\_\_\_

The main body of the page is a large, solid grey rectangle intended for a student to draw a picture and write an acrostic poem. At the top of this grey area, there are faint, light blue geometric diagrams showing lines and angles, possibly related to a math lesson. On the left side of the grey area, there is a vertical rectangular box, likely for writing the topic word vertically. In the bottom left corner of the grey area, there is a small logo for Math-Aids.Com.
