

BEE ALPHABET!

1. Write the missing letters in the honeycomb!

2. Colour the picture. Colour all round parts yellow and all connected parts black.

3. How many letters do you see? How many letters do you not see? Colour and write.

4. Look at the bees. What letters are straight? Write them in the honey pot!

5. Write down the letters that are straight and the letters that are not.

6. Colour the dots in the picture and you will get a honey bee!
