

Placemat Book Report

Contemporary restaurants often use placemats as a form of sharing information, as well as providing entertainment for their customers. Many restaurants will sell advertising to other businesses as well as provide “fun” activities.

Some things you may want to include on your placements are:

- Word search or other word game
- Colouring page
- Maze
- Advertisements that related to the story-try to be creative here!

You must also include the following:

- Conflict
- Setting
- Characters
- Plot
- Recommendation
- Title and author

This assignment is due on **Friday, January 23rd**. Please make sure you get started on your book report early as deadlines can creep up on you!
