The Language of Love

Dr. John Gray's book *Men Are from Mars, Women Are from Venus* is one of the best about men and women and just about anyone. It explains the pleasure centers and feelings you... (I remember them, they help me practice your speaking or writing skills and help someone else practice yours, too.)

1. I'm happy.
2. It really interests me.
3. I'm sorry to get out with you.
4. I would like to be with you.
5. You can't understand me.
6. You can't let me know you.
7. Please nothing without you.
8. Oh, please.
9. You have changed my life.
10. You are in my heart.
11. I have always loved you.
12. You are so special.
13. You are so beautiful.
14. You are the best.
15. You make me so happy.
16. I'll be right here for you.
17. I'm yours always.
18. My love made the world better.
19. You are special.
20. You are my whole world.
