

Budget Worksheet – Estimated Monthly Expenses:

Using your research materials, estimate how much you will spend for each related expense (based on where you have selected to live). Determine whether your salary meets your expenses.

Total wages (take home) per month:	\$
Expenses (in area where job is located)	
Mortgage or rent payment	
Telephone bill (landline and cell)	
Electricity	
Gas or oil company	
Water/sewer	
Cable or direct TV	
Internet service	
Groceries and outside meals	
Car payment	
Car insurance	
Gasoline
