

Name _____ Date _____

Use with Unit 1, Lesson 1

Make the Most of It

Imagine you are living during the Old Stone Age. You have to make the most of what you find in your environment. List at least two objects you could make from each of the supplies below. Think about what you need to survive. Be creative! An example has been provided.

Supply from the Environment	Things You Can Make
Stones	<i>Examples: arrowhead, axe</i>
Tree Branches	
Grasses	
Animal Bones	
Animal Skins	

Think About It Scientists have found many Old Stone Age artifacts in caves. Why do you think early humans lived in caves? Write your ideas on a separate sheet of paper.
