| Title of book  | Author                             | ISBN          | Publisher                           | Brief description of contents  |
|--|------------------------------------|---------------|-------------------------------------|--|
| Retracking   | Jenny Bates                        | 1-85522-548-4 | Devan Learning Resources            | A guide to student effectiveness in 3 stages, awareness raising, underachieving and skills training. 65 photocopiable resources including 'who do I trust?', 'Friends', 'good things/bad things' and many more.  |
| A practical guide for Learning Mentors in schools              | Adrian Jones and Marion Knell      |               | MK Training and development Systems | key guidance and documentation for LMs in schools. The material provides a structure that can be adopted as a whole school approach and facilitates the development of the mentoring programme.  |
| Handbook for Learning Mentors in Primary and Secondary Schools | Margaret Roberts and Dot Constable | 1-85346-980-7 | David Fulton Publishers             | This guide outlines the organisation of a school in which the mentor will find themselves working in. It looks at the tasks and responsibilities they will have to consider in their daily duties.   |
| All the right connections                                      | Vanessa Rogers                     | 0-86155-277-6 | The National Youth Agency           | Resource handbook for Personal Advisors, Mentors and other Connexions workers. It aims to help build effective and positive relationships with young people. It comprises 5 sections and over 60 activities. This book looks at engaging young people, individual support, group work and many more key areas. |
