**Identify Poem**

What is a dramatic poem? A dramatic poem is a poem in the form of a play. Each line may speak from a different person. The characters and situations, if they exist, are in action. They are never told (spoken) but are instead acted out on stage.

A dramatic poem contains the following features:

- Line 1 is a **stanza**
- Line 2 has two subjects describing the scene in Line 1
- Line 3 has two verbs to indicate the scene in Line 1
- Line 4 has two nouns: two subjects in Line 1 and two verbs in Line 1
- Line 5 has two verbs to indicate the scene in Line 1
- Line 6 has two subjects describing the scene in Line 1
- Line 7 is a **stanza opposite** to Line 1

**Now check an idea for your poem and start writing about it. Remember to use the features above.**
