

Mother's Day Card Glyph Activity

Follow the directions below to make a Mother's Day card.

1. Write the first letter of your mother's name on the flowerpot.
2. If your mother is tall, color the flowerpot purple.
3. If your mother is short, color the flowerpot red.
4. If your mother has long hair, color the leaves dark green.
5. If your mother has short hair, color the leaves light green.
6. If your mother can drive, color the dirt in the pot brown.
7. If your mother cannot drive, color the dirt in the pot black.
8. Color the flower petals orange and yellow, if you don't have brothers or sisters.
9. Color the flower petals orange and red, if you have a brother or a sister.
6. - Color the center of the flower your mother's favorite color.
7. - Color the stem of the flower green.
8. - Next to the word "From", write your name in pink or purple if you are a girl.
- Next to the word "From", write your name in blue or red if you are a boy.

Happy Mother's Day!
