

Answer

This exercise is meant to help you recognize logical order. First, identify the topic sentence. Arranging sentences in chronological order (from oldest to youngest) will probably help you. When you are finished, go to KAMPAK under FILE and name the document *TopicOrderChangeForYourName*.

- (1) When he was in eighth grade, his teacher recognized his talent and encouraged him to draw. (2) Rockwell died in his home in Stockbridge, Massachusetts, in 1978. (3) He was born on February 3, 1896, in New York City. (4) At the age of twenty-two, he sold his first water picture to The Saturday Evening Post. (5) Norman Rockwell is considered one of America's favorite painters. (6) Later in his career he painted what was to become his most popular illustration, *Saying Grace*. (7) During his freshman year in high school, he started giving art lessons to pay his fees for art school. (8) He earned enough money so that by the age of eighteen he began art school as a full-time art student.

What order should the sentences be?
