

French

Requirements:

1. Make a brightly colored sign that says "The French Point of View".
2. Make a skit from the French point of view.

Things to Remember:

- *The French traded with the Indians first. They traveled to and from trading post by river.
- *The French did not like it that the British started trading with the Indians.
- *The French depended on trade with the Native Americans, so they viewed them as allies/partners.
- *The French did not plan to settle in Ohio River Valley.
- *The French started building forts to keep the British out.
