

Comprehension

Read the passage carefully and answer the questions below.

Jessica's Garden

Jessica was bored. All of her friends were out of town. She decided to go outside. In the backyard, she found some plants and a pot. In this space, she found some dirt. After she had needed some more flowers, she was about to go to the store. Jessica stopped on the way with her. When they got there, she saw flowers. Her dad bought her flowers. When Jessica got home, she planted them in the pot.
