

Comprehension

Read the passage carefully and answer the questions below.

Jessica's Garden

Jessica was bored. All of her friends were out of town. She decided to go outside. In the backyard, she found some grass and a pot. In the front, she found some dirt. All she had needed was some flowers. She was thinking to the store. Jessica stepped on the car with her. When she got down the car drove. Her dad bought her some. When Jessica got home, she planted them in the pot.
