

Contract Form – Senior Research/Internship Course
BIOL/ENSC/MATH/MSCI 4902/4903

These courses will oversee an independent study research project or internship experience by students relevant to their area of study. The student must submit this formal request (Contract Form) signed by the student's research project mentor/supervisor and their academic advisor. It is preferable that the student have a research project or internship planned and this form signed prior to enrollment in these courses. The form must be signed and submitted to the course instructor of record in order to continue to be enrolled in these courses. If it is not, then the student will be administratively withdrawn from the course by the instructor. The 4902 course can be taken for 1, 2, or 3 credits, and can be repeated (as 4903) once.
