

Animals and Germs

Emma's flea

Emma is taking her dog for a walk. To see what happens, put the pictures in the correct order. You'll get a doggy message!

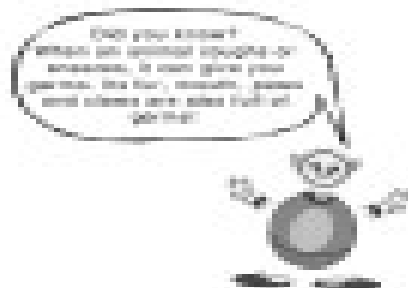

Write the message in the boxes:

--	--	--	--	--	--

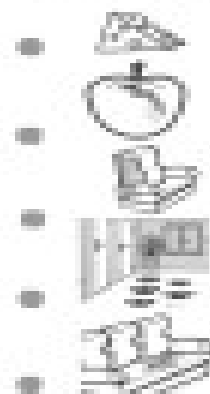

Who on earth did that?

Mum is not very happy! There are hairs on the sofa and the armchairs are all scratched! Who ever could have made such a mess?

Link each animal to its misdeed.
