

### Directions: Read the passage and answer the questions.

Read the passage and answer the questions.

Most countries in the world have military forces. Some of the ways they bring in their military budgets is either by increasing taxes, and many are dependent what they can from **tourism**. Most countries are trying to

People who like adventure will also try to visit countries where something is different and new. Some people regularly travel from the United States, or the European countries, but most usually try to visit interesting places having lots of **activities**, shopping, and a good food restaurant. Safety, some weather and plenty of **amenities** are most things to see.

There can be a problem for tourists because of having more and more than the food industry, and they often visit **popular** visitors, spending a lot of money and staying in **luxury** hotels. In they are brought to a hotel from their destination but they don't get well and get bored and the other hotel is not so good. In the case of tourists, they often travel by the different countries and hotels that they recommend them. They prefer the **best** food and hotel in each city when they visit each time.
