

Student Worksheet
STUDY SKILLS FOR WORLD LANGUAGES
2009-2010

Ideas and suggestions contained herein are repeated in sources too numerous to single out for bibliographic information by individual title or author. Worksheets/handouts (IF used by teacher) are identified by underlining followed by an asterisk (*). Individual World Language teachers will explain and model these & other preferred strategies using the following approach:

- Learn a new topic daily.
- Review one topic weekly.
- Repeated periodically throughout the school year.

In the space provided, record the date and description of 2 strategies in each category as are put to use in your target language study:
