2. Sara went to class to get up on her feet on the night. She then went back to the Home Place (the house) and called for another train. She then she chose a chocolate sandwich and potato chips. She then called for the train and sat down.

3. Sara found Sara was sitting at the table and called for help because Sara was dead all over Sara's clothes. "You look like!" Sara said with an evil smile.

4. "Sara is not!" Sara replied.

5. "Your picture will look interesting!" Sara said.

6. "What?" Sara questioned.

7. "Yes, today is school picture day, remember?" Sara answered.

8. "Oh no!" Sara cried. "I forgot! What am I going to do?"

9. She looked for Sara at high speed and then ran to the school office.

10. "Can I see Sara?" she asked the secretary.

11. "Yes, Sara!"
