5. Writing for the website (100-120 words) (10 marks)

You will have three topic objects. Learn one for which of these products you can do something.

- (a) environmental conditions (b) quality (c) material
- (d) appearance (e) design/look

Write a sign and list the things that are mentioned for each product.

	1	2	3
Why consider it?			
What can it do?			
Effect of the product			
Use			
Technology			
Price			

- Which object offers the most effective environmental conditions and the most things?
- Which sign and list the phrases used to promote/produce to buy the products.

You should write the without something to...
 It's the best material!
 You'll love the design/look of the material!
 It's a perfect choice of our special-look!
 You'll love the new design/look!

The other won't last long!
 They want for that perfect appearance!
 You won't regret it!
 It's perfect that into your pocket!
 Put it to see for your selection!
