

### Advertisement Project

You and your group will take the name of a product and make an advertisement to sell it to the class. You will need the following things included in your presentation:

- 1. You will need to explain what the product does.  
Example: (It works quickly. I was confused now I am singing happily. Use adjectives of manner)
- 2. You will need to describe what it looks like.  
Example: (It is big and yellow but can change color when you want).
- 3. You need to have a slogan for your product.  
Example: (It's better than ice cream on a hot day!!!)
- 4. You need to have a price and tell us where we can find it.  
Example: (\$1.00 only sold in Department stores)
- 5. You will need to include a picture of your product
- 6. You will need to have people endorsing your product!
