Community Service: It's more than hours

- Explore careers
- Build résumé with experience, job-transferable skills (communication, leadership, initiative, workplace skills)
- Enhance personal skills
- Strengthen applications for scholarships, internships, college
- Seek letters of recommendation
- Obtain references
- Network, open doors of opportunity in greater community, broaden your world
- Volunteer jobs lead to paying jobs
- Meaningful service = good health, gratification
- Inspire your friends to join you, build a better world

For my community service site, my areas of interest include:

Find the name, address and telephone number of three agencies in your areas of interest. Give a brief description of the mission statement of the agency **OR** what a volunteer would do with the agency.

AGENCY ONE	
Name of Agency	Phone or Email
Address	Web address
