

Checking Account

A. Reading

Rene is engaged to her boyfriend Kyle. They plan to get married in May, and they are celebrating it with a party for the wedding and the honeymoon. Kyle wants to open a joint checking account for both of them now, but Rene wants the like having her own bank account. She has a savings account and a checking account, and she doesn't want another account. Kyle is stressed with his money, and if he opens a bank account with her, he might not have to explain why she withdraws money from the account the night before when she takes the party decorations to her house. Kyle thinks that Rene doesn't trust him. He asks her, "can't get trusted if the bank has it? What should Rene do?" Should she open a joint checking account with Kyle?
