

I love you  
The dog is sleeping  
I made my bed  
The cat was tired  
I bought a new hat  
I wore my new shoes  
My shirt was pink  
The mouse ate a pie  
I am so happy  
My dad was sick  
My grandpa was eating  
My sister was sad  
The boy was playing  
The girl was cooking  
I made myself lunch  
I had eggs for dinner  
My glasses were dirty  
The pig rolled in the mud  
I ironed my clothes  
My bed was comfortable  
The blanket was blue  
My pillow was fluffy  
It was cold outside

Your feet smell bad  
My mom snores loud  
The movie was so good  
I bought a new bag  
My pencil broke  
I cut my hair yesterday  
Today is my birthday  
The bird was smelly  
I painted my bedroom  
The milk was gross  
My best friend was gone  
It is snowing  
I was scared of the dog  
My book is awesome  
I hurt myself with a fork  
I love football  
Baseball is so fun  
I hope I don't get sick  
I did the dishes  
I hope you are happy  
School is so much fun  
I am hungry  
You should call me
