HOME ECONOMICS

A good is something you buy and consume. Goods are things that you can keep, eat, or use.
If you go to the store and buy an apple, you get to keep the apple and take it home with you, so it is a good.
A service is something that someone does for you. When you buy a service, you hire people to perform work.
You are not buying something you can touch or hold.
If your car is broken, you might hire someone to fix it. You are paying for a service.

Read each scenario and tell whether you are purchasing goods or a service.
