Imports are goods that are brought into our country. Exports are goods that we ship to other countries. Goods of which we have a surplus may be exported to countries that lack these goods. When we lack certain items, we may import them to our country from another. What is a good that you would export to another country? Explain why you would send this particular item elsewhere. Do we export anything like this good now? I would export I would export to the country of My reason(s) would be Something similar that is already exported is How I would ship this good: What are some actual products our country exports to other nations?	Name:		Date:
