

Budget Worksheet – Estimated Monthly Expenses:

Using your research materials, estimate how much you will spend for each related expense (based on where you have selected to live). Determine whether your salary meets your expenses.

| | |
|--|-----------|
| Total wages (take home) per month: | \$ |
| Expenses (in area where job is located) | |
| Mortgage or rent payment | |
| Telephone bill (landline and cell) | |
| Electricity | |
| Gas or oil company | |
| Water/sewer | |
| Cable or direct TV | |
| Internet service | |
| Groceries and outside meals | |
| Car payment | |
| Car insurance | |
| Gasoline | |
