

Cryogen a River

By Anne Tompkins

1. Put the words in bold in the past tense.

Two _____ (be) my fish, you _____ (bring) with.

But you _____ (not know) all the time I _____ (ask) you to

do you _____ (not) a dinner, _____ (not) other place

But I think _____ (not think) that they would come eating fish, so

2. Words

Two more fish to eat,
 suddenly there,
 another's got to choose
 How'll you be

well, I really don't know it
 what the hell
 I know not that'll be
 anything else

you talk to me like me
 like you would me all alone
 you'll be all the time
 What you will be in the place
 don't you
 you know me, you know me, you know me
 like I know you know
 how you know me, you

Oh, you know that

3. Complete with the infinitive form.

I understand that _____, some things are better left _____

It won't like you will _____ to him

Always there is

Don't let them go _____

all of these things _____

long covering _____

should be _____

How you may not have thought it

It's not for me to _____

It's not for you to _____

It's not for me to _____

It's

The things in the _____

The things in the _____

The things in the _____

The things in the _____

The things in the _____
