

**Teacher: Positive Thinking Quotes, Positive Attitude Quotes, Positive Sayings**

Who possessed negative attitude is every opportunity and instead using the opportunity to create a positive attitude.

**William Chaudhry**

You have to beat the odds of the game. And then you have to play better. **Barack Obama**

**Albert Einstein**

Think like a genius, discuss your work as if you had no idea. Failure is another opportunity to discover. **Opinder Khosla**

A man without his greatest gifts thought, without faith, his greatest gift. **Mathew Gumbel**

I am an optimist. It doesn't mean to be foolish, but being optimistic does.

**William Chaudhry**

Optimism is contagious. It grows with smiling.

**Arthur Schopenhauer**

I don't think of an alternative but of the beauty that I see. **John Wayne**

**John Wayne**

**William Chaudhry**

Make your vision stronger than those who want to see yours.

**Frank Mathews**

Make your mind negative thoughts with positive ones, you won't be feeling positive results.

**William Chaudhry**

The best things you can give come in the form of an opinion, an experience, a message, or a word, and these are your gifts. It's not money, it's not fame, it's not power. It's not what you do, it's what you say. It's not what you do, it's what you say. It's not what you do, it's what you say.

**William Chaudhry**

Optimism is the faith that leads to achievement. Nothing can be done without hope or confidence.

**John Wayne**

I trust that if you love life, life will love you back.

**Arthur Schopenhauer**

Optimism is the faith that leads to achievement. Nothing can be done without hope or confidence.

**John Wayne**

Optimism is the faith that leads to achievement. Nothing can be done without hope or confidence.

**John Wayne**

Fear less, hope more. Don't let others' fears, doubts, or worries stop you. Talk less, act more. Love more, and all your things will be yours.

**William Chaudhry**

Work, study, and peacefully, knowing that all thoughts and light ideas will eventually bring about positive results.

**John Wayne**

Think positively and happy life, with confidence and faith, will be yours. Remember, your results, your success, will come when you act in a positive and determined way.

**William Chaudhry**

Life is a miracle and we need not stop to design the miracle.

**William Chaudhry**
