

Dino Pokey

You put your dino up
You put your dino down
You put your dino up
And you shake it all around.

You do the Dino Pokey
And you turn yourself around
That's what it's all about!

You put your dino in the front
You put your dino in the back
You put your dino in the front
And you give your knees a slap

Chorus

You touch your dino to your head
You touch your dino to your toe
You touch your dino to your nose
Then you shake it to and fro

Chorus
