### Current Events Template

Objective \_\_\_\_\_

Each Thursday, your child will be given an assignment to find a current event related to our science discussion in class. I will be giving examples in class Thursday for your child to get ideas, and they can summarize a news report from TV, summarize a newspaper article or magazine article, or summarize a news report and article from the internet. You can use the form below to complete the assignment, write on notebook paper, or type in a word document.
