- o. 1 tin of _____

- Read the recipe and match the instructions with the pictures.**
1. MIX the sugar & eggs
 2. ADD the flour with self-raising flour using a sifter. Add the paper to the sugar & mixing it.
 3. ADD the three eggs separately and STIR the mixture.
 4. FOLD IN the carrots & raisins.
 5. POUR it into a cake tin & bake for one hour.
 6. ADD the orange slices for the finishing touch.
 7. CUT, according to the top-edge thickness of the cake.
