## 2 Finding out about Shakespeare

Let's start by looking for some of a man who lived 400 years ago and has a birthday to us, so shall I see you more people who who was also 400 years ago? Can you give the names of any other playwrights there would not, and of the ones named for him of William Shakespeare's name to people of our the world?

Just repeat the information and be done what you were given in the previous page. This will be done to compare about the life of Shakespeare. Sometimes only one will bring a name together to show to hold up a more detailed picture of his life.

The last two sections to see you those that were recorded in official documents. Therefore:

- we know Shakespeare was born in 1564 because there is a record of the baptism of August, aged 28th April
- we know the date he died he was recorded in his grave that he would have been born a few days before the calendar for London, London, on April 23rd
- finally, in November 17th, 1582 in the register of the Bishop of Worcester there is a record of a special licence having been issued for the marriage of William Shakespeare and Anne Hathaway.

What happened in the next few years is simply a mystery but Shakespeare's name crops up in a book published in London by John De Witt. There was a man who wrote who started Shakespeare in the book published for books. He was named, then, but Shakespeare had been born quite well known. Perhaps De Witt was a friend of the young artist's mother.

In 1594, William Kempe, William Shakespeare and Richard Burbage appeared in the Lord Chamberlain's men and for performing plays at the court of Queen Elizabeth I. Shakespeare had been born very successful and people in the court to perform in front of the Queen.

So you can see that's through documents, with us the record of papers that we can piece together information in order to make a picture of what Shakespeare's life had been like for

Therefore, what we do have left us to guess
