Mary has a lot of hobbies and interests. She often goes regularly to the gym and her friends work. She goes to school to do, but she sometimes goes on Saturdays during the winter. Mary often takes a horse or a cat like her horse home. She sometimes goes after work, but she often goes home early riding on. Sometimes she listens music. She always goes to visit (practice on) Wednesday evenings and stays in church on Sundays. She doesn't have much extra money, so she sometimes goes to concerts in the city. She never watches TV because she likes doing things outside. She often goes to the gym if it's sunny outside. She is never alone because she has a lot of friends, but she always shares activities with one of her friends. She's a happy person.
