**Research Child Labor Worksheet**

Research is the systematic investigation into and study of materials and sources in order to establish facts and reach new conclusions. Research is conducted through different ways such as on the internet, through books and magazines.

Directions: Respond to the research prompt given below. Write a summary of your research on the lines provided or on a separate sheet for more space.

Writing Prompt: **What is child labor? What is the history of child labor? Where does child labor still exist today? What are the effects of child labor?**

Write three websites or books you visited to find your information.
