Ending Punctuation

Name:	

The ending punctuation you choose to put on a sentence depends on the type of sentence that it is. There are three major kinds of sentences.

- 1. Declarative sentences are making a statement, perhaps to provide information. A period (.) is the proper ending punctuation for a declarative sentence.
- Interrogative sentences are asking a question.
 - A question mark (?) is the proper ending punctuation for an interrogative sentence.
- Exclamatory sentences express emotion or excitement.
 An exclamation point (!) is the proper ending punctuation for an exclamatory sentence.

- Decide whether the sentence is making a statement, asking a question, or expressing emotion. Add the proper punctuation to the end.
