Read the story and an	nswer the questions.
the whole school. They de on Saturday. Daniel put air chain. He checked the fran- sure everything was just ri- anything to his bike. His bi- much as Daniel's bike. Sta could possibly go wrong. I- work Daniel was doing whi Stan and Daniel arriv The boys began to pedal.	r in his tires. He oiled the me of his bike to make ight. Stan did not do like had cost three times as an thought that nothing He laughed about all the
What would be a good to	title for this story?
2. Should Stan have check	ked his bike like Daniel did? Why or why not?
Why do you think Stan thave any problems?	thought that a more expensive bike would not
	d have won the race? Why?
5. What should Stan do ne	ext time?
