

**Oh No...our prophet is pouting! He is angry at God for sparing Nineveh .  
Let's see what the LORD will teach Jonah.**

*"...So Jonah went out of the city...there he made a shelter...And the LORD God prepared a gourd and made it come up over Jonah, that it might be shade for his head to deliver him from his misery,,but as morning dawned the next day...*

**...and it so damaged the gourd that it withered...God prepared a vehement east wind; and the sun beat on Jonah's head so that he grew faint."**

*The LORD asked Jonah why he had pity for a plant and not the great city in which there were 120,000 children and much livestock. I think Jonah learned his lesson.*
