

# C A R I B B E A N

I am from the Caribbean -  
Where the sun is hot,  
But the breeze is cool.  
I am from the Caribbean -  
Where flowers are bright,  
And so are the kites.  
I am from the Caribbean -  
Where the sand is white,  
But sometimes black.  
I am from the Caribbean -  
Where a girl is a gyal,  
And a boy is a bwoi.  
I am from the Caribbean -  
Where the islands are many,  
But the people are one.
