

# REALISTIC FICTION

Name: \_\_\_\_\_

Use this space to brainstorm ideas for your realistic fiction story.

## Be realistic fiction:

- ✓ The characters are believable.
- ✓ The setting is realistic.
- ✓ The problem is something that could happen in real life.

# WRITE

Who are the characters? How are they related? From what point of view will the story be told?

How will the story begin? How will you hook your reader?

What is the setting (time and place)?

What are 3 plot events that will occur in the rising action of the story?

What is the problem? How will it be solved?

What is the climax of your story?

What are some examples of great words that you will include in your story?

How will the story end? Is this a happy ending for your reader?
