

Name _____

The Cherokee
Map (1876)

Life in the Village

Study the map and the key.

The map, titled "Cherokee Village", shows a central area with a council house (a circle with a cross) and several homes (circles). To the left, there are fields of corn (represented by three circles), beans (represented by three vertical lines), and squash (represented by three circles with a cross). A river flows from the top left, and a stream flows from the top right. A compass rose indicates North, South, East, and West. To the right of the map is a "Map Key" with the following items:

- river
- stream
- council house
- home
- corn
- beans
- squash

Below the map, there are five numbered directions:

1. Write the title of the map.

2. Find the river. Color it blue.

3. Find the stream. Trace it with a green crayon.

4. How many homes are shown? _____

5. Write the names of the vegetables that are grown in the village.

6. The Cherokee built their homes around the

At the bottom right, there is an illustration of corn cobs on stalks and a small circular logo with the number 45.
