

LEPRECHAUN PAUL

Did I ever tell you the terrible story
Of Leprechaun Paul and his faded glory?

None of the leprechauns trusted Paul
They said for a leprechaun he was too tall

Leprechaun Paul was over six feet
Which if you're human is pretty neat

But Paul's job was to sneak up on folks
And jump up behind them with practical jokes

The people always heard him coming
He was much too tall and always humming

The other leprechauns took his shamrocks away
And Leprechaun Paul cried on St. Patrick's Day

But Leprechaun Paul laughed last, you know
He found the gold at the end of the rainbow
