

1. **Regular Verb** – that forms its past and past participle by adding -ed, -d, -t

Present	Past	Past Participle
count	counted	counted
receive	received	received
sleep	slept	slept

2. **Irregular Verb** – that forms its past and past participle in a different way

Present	Past	Past Participle
blow	blew	blown
drive	drove	driven
take	took	taken

3. **Linking Verb** – which links the subject with the predicate word. It consists of the verb “be” and its form.

am	were	became	feel
is	been	seem	smell
are	appear	look	taste
was	being	sound	remain

4. **Auxiliary Verb** – used to form tenses of others. It is composed of the forms of “be” and “have”

has	must	can	should	do	be
have	will	could	may	does	been
had	would	shall	might	did	being
